Will there be a lot of down time with nothing going on?

Depends on what you consider a lot and what time of day you may be referencing. This is about living in the lifestyle with your favorite smooth jazz artists. Keeping you up close, interacting and engaged with these incredible talent people is the best way to enjoy the music and the life style.

What time will things start each day.

Starting about 01:00 PM each day with artist interactive events and music starting shortly after, not really. Of course from Breakfast through Lunch there will be time to eat, mingle and run into your favorite artists. As we get closer we will send a timeline schedule to all out guests.

How much music will I hear each day? The real concert time music!!

We will be scheduling no less than 5 hours of music each day as part of the Full Festival package.

Doing have any options on packages I purchase?

Two different options – 1) You can purchase the FULL festival package that includes everything including your hotel accommodations at the Loews O’Hare Hotel during the Festival. 2) If you are local and do not want to stay overnight at the Loews Chicago O’Hare Hotel – you can purchase the Full Festival Package without the hotel and Sunday Brunch.

OH..... For those that just can’t get enough..... there is a Thursday option with and without a room. The early Bird Meet and Greet with Jonathan Butler and an incredible night of music with Gery Johnson and the Chicago Experience.
